

UNIVERSITY OF TECHNOLOGY, JAIPUR

School of Basic and Applied Science

Date: 05 October,2024

Notice

All students are hereby informed that the department is in the process of identifying **slow learners** based on their academic performance, class participation, and subject understanding. Students who are identified as slow learners will be provided with the following academic support:

- ✓ Remedial Classes
- ✓ One-on-One Mentoring Sessions
- ✓ Simplified Learning Material and Notes
- ✓ Special Assignments and Practice Tests
- ✓ Continuous Monitoring and Feedback

The aim of this initiative is to help students overcome their learning challenges and improve their academic performance.

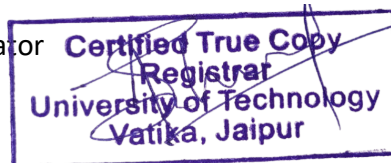

Action Required:

- Students who feel they need additional academic support may also **voluntarily register** their names with the department coordinator or faculty mentor.
- A timetable for remedial classes and mentoring sessions will be shared shortly.

For any queries, please contact:

Dr. Ashok Singh Shekhawat – Slow Learner Coordinator
