### Remedial Time Table for Slow Learners

Effective From: 24 October, 2024

| Day       | Time             | Subject                         | Faculty In-Charge           | Mode                |
|-----------|------------------|---------------------------------|-----------------------------|---------------------|
| Monday    | 3:15 – 4:00 PM   | Mathematics Basics              | Dr. Ram Bhajan Kumawat      | Classroom / PPT     |
| Tuesday   | 3:15 – 4:00 PM   | Chemistry Concepts              | Dr. Sanjay Singh            | Problem Solving     |
| Wednesday | 3:15 – 4:00 PM   | Physics Fundamentals            | Dr. Jitendra Kumar          | Lab + Theory        |
| Thursday  | 3:15 – 4:00 PM   | English Grammar & Comprehension | Language Faculty            | Interactive Session |
| Friday    | 3:15 – 4:00 PM   | Assignment Support / Q&A        | Respective Subject Teachers | Open Doubt Session  |
| Saturday  | 11:00 – 12:00 PM | Weekly Test + Feedback          | Subject Coordinators        | Written / Oral      |

#### Guidelines:

- Attendance is **mandatory** for selected students.
- Sessions will focus on **simplified teaching, repetition**, and **concept clarification**.
- Weekly tests will be conducted to monitor progress.
- Feedback will be shared with mentors and parents if required.
- Remedial attendance and performance will be documented.
