Dear University Coordinators (PDS/ShodhShuddhi),

Greetings from the INFLIBNET Centre/ShodhShuddhi !!

The INFLIBNET Centre is pleased to inform that the Services of the _DrillBit-Extreme Software provided under the ShodhShuddhi-PDS Initiative is extended for another Six Months._

However, strictly observe the following points: (Guidelines/Alerts for Universities/Users using PDS under ShodhShuddhi)

1. Plagiarism checks under ShodhShuddhi is to be restricted only for PhD Theses and Research Articles and not for Students' Assignments/Student Papers/ question-answer papers/sheets or study/learning materials etc.
2. Access to Colleges and their associated/affiliated Colleges and institutions are also restricted under this scheme. As per the Policy Guidelines, only University teachers and PhD Supervisors/Guides of the Universities are eligible for the PDS Service.
3. Please note that, as per the request of many Institutes under the scheme, the users from old PDS Software (i.e. Ouriginal/URKUND) were migrated to the New DrillBit Extreme Software. For left-out or Passed-out Users, please send us the Names/Email IDs of left-out/passed-out Users in Excel Sheet to be      disabled from the Database. (However, records of old users who were previously associated with the University will be retained by the INFLIBNET Centre to avoid duplicates in the Deactivated Tab)
4. Over-usage by the University/Institute will be monitored strictly and further allocation will be blocked. (Please avoid checking test documents).
5. The University Coordinator is responsible for maintaining Backup records of the generated analysis reports/Uploaded Documents in the DrillBit of the University at their end.
6. Any changes in the University Coordinator account/user email IDs are to be routed through the Competent Authority of the University (VC/Registrar) only to ShodhShuddhi/PDS and not the DrillBit.
7. Universities/Institutions that joined ShodhShuddhi also requested to sign MoU for Shodhganga as per UGC Notifications, 2009/2022, if not signed yet.
8. One-page plagiarism Report/Certificate needs to be uploaded with Shodhganga Theses.
9. Access should be granted exclusively to PhD/Post-doctoral students, Research Scholars (JRF/SRF), and faculty members/PhD supervisors/Guides.
10. Plagiarism check for Undergraduate (UG) or Postgraduate (PG) students is strictly prohibited. Should it be discovered, that your account is being used for UG/PG students, the account may be suspended.

_NB: For monitoring and quality control purposes, the Centre reserves the right to conduct random checks to ensure compliance with the current guidelines by the University._

For ShodhShuddhi/PDS

Dear All (To all Users of PDS/URKUND),

We are glad to inform you that PlagScan Anti-plagiarism Software is merged with URKUND and the name is now changed to Ouriginal(https://www.ouriginal.com/) after being acquired by Ouriginal.com. Last year Urkund and PlagScan, two award-winning software solutions with expertise that spans well over three decades, joined forces in their fight towards unethical practices in academic writing to become Ouriginal. However, please note that there are no changes to the existing product that you are using today, except that users will have a new Webinbox interface. (At the same time, it is ensured that all users also will have access to the existing Webinbox interface (i.e. inbox of Urkund) too.

One key feature that is new and added to the new Webinbox per request from INFLIBNET and the associated institutions is the option for receiver users to delete documents. This is one of few selected new functionalities added to the new Webinbox interface as per Ouriginal Team.

This mail is to introduce you to the new interface of the Plagiarism checking software. The URL for reaching the login window still works with www.urkund.com. On typing this web address you will be directed to *https://www.ouriginal.com/*

- Click on the **Log in**   ( **Log in** )   button from the homepage of **Ouriginal** (please refer to the attached pdf)
- Click on the **Log in to Webinbox Global**   ( **Log in to Webinbox ( ▸ ⓘ Global)** )

  button for **Users. This will go to the new dashboard. (The old documents will be available with Old Webinbox )**

- For Admins   ( **Log in to Admin panel ( ▸ ⓘ Global)** )
- To upload a document to **Ouriginal** Click on the **Create / Upload button.** Select the file and then provide your analysis address, Subject, and Message the file will get uploaded.
- An email regarding the upload will be received in your e-mail inbox.
- After checking the report also will be available to you in your email as usual.

Still, if you want to continue with the earlier process (URKUND), follow the instruction given below. To log in to the earlier inbox click on the **Access the old web inbox** *here*

*Please forward to all users concerned in your University/Institution*

*Happy submissions for plagiarism check and enjoy the PDS*
