

## Freeship Policy

### Purpose

The Freeship Policy of the University of Technology, Jaipur strives to provide financial assistance to worthy and economically disadvantaged students. This policy is consistent with the University's mission to make education accessible to all segments of society, promoting diversity, and ensuring that financial limitations do not hamper academic goals. By providing financial assistance, UOT hopes to remove financial barriers that may impede a student's capacity to pursue higher education, ensuring that smart and diligent students are not denied the opportunity to study due to financial constraints. Ultimately, the purpose is to promote educational justice by assisting worthy students in reaching their academic potential while positively contributing to society.

### Objectives

The Freeship Policy is designed to:

- Ensure that no deserving student is denied access to education due to financial hardship.
- Promote inclusivity and equal opportunity within the student body.
- Support the socio-economically disadvantaged sections of society.
- Encourage academic excellence by rewarding students with financial support.
