Celebrates Teacher's Day

The University of Technology celebrated Teachers' Day with great enthusiasm on Saturday, September 5. The celebrations, organized by the students of the Humanities Department, included various cultural presentations, expressions of gratitude and engaging activities, which made it a memorable day for both students and teachers.

Highlights of the event

- Music and dance performances: BA First Year students put up an entertaining show with a mix of music and dance performances. Their energy and creativity was evident in every act, which enthralled the audience.
- Video presentations: Emotional videos showing memorable moments with teachers and appreciation from the students added a sentimental touch to the event.
- Fun Q&A round: Fun rounds of questions and answers between students and teachers kept everyone engaged and entertained.
- Flowers and chocolates: Students expressed their love and respect for their teachers by presenting them with roses. In return, the teachers gave chocolates to the students, which symbolize mutual appreciation and affection.

Registrar Dr. Anup Sharma praised the students for their excellent display of talent and creativity. He emphasized how students play a vital role in making the teachers' lives complete, whether spoken or unspoken. Teachers' Day at the University of Technology was an enjoyable and heartwarming event, which reflected the deep bond between students and their teachers. A mix of cultural performances, heartfelt expressions of gratitude, and interactive activities made the day unforgettable.
