We have started New Courses, in this year 7 New courses have been launched across various departments of the university.

Action Taken -- Feedbacks report regarding all aspects from students, Staff Members, Alumni, Employers and Parents.

16

latika, Jaipur

Actions taken to collect, analyze, and act on feedback from students and faculty have led to significant improvements in the university's curriculum, teaching quality, facilities, and administrative processes. By establishing a structured approach to feedback collection and continuously monitoring the impact of changes, the university has fostered a culture of continuous improvement and responsiveness to the needs of its community. A report sheet was prepared and analyzed based on the data received from student and faculty feedback. As a result of this analysis, new plans were developed to address identified shortcomings. The feedback analysis report was submitted to the appropriate committees and bodies, along with an action taken report detailing the response to the feedback.

Action Taken -- Explore best practices for optimizing the freeship and scholarship application process to enhance efficiency, accessibility, and support for students.

Title of Scholarship	Number of the Students	Amount received	Awarding Agency (institution, Government and non-government bodies, industries, individuals, philanthropists)
University of Technology Scholarships	482	11587950	University of Technology

Action Taken -- Discuss the allocation of seed money to faculty members to support their research initiatives, including criteria for funding eligibility, application processes, and expected outcomes.

Twenty-eight faculty members have been granted seed money to support their research initiatives, along with guidelines for funding eligibility, application processes, and expected outcomes.

Action Taken -- MoU's -Conduct Activities Collaboration with MoU's.
